Intro Chorus:

A
Draw us closer, draw us closer

Bm
To your love, to your love
(repeat)

Verse:

A
I wanna get deep in You, lost in You, You in me cuz my cost to You

Bm
Is your love at the crucifixion, completion of your mission

A
You more than cried for me, you died for me, a future bright to be, you turned the tide for me

Bm
With your love and amazing power, your with me like every hour

A
It's funny, how one day I could be walking in the Spirit like it's Sunday

Bm
and the next, I'm a wreck going off of the rails all because of one text

A
I need your steel in my spine and I have your divine mind

Bm
not wild thoughts, to be double minded MY YES IS MY YES and MY NO IS MY NO

A
So get down, this sound is spreading all over town in the Name of the only King, who truly wears a crown.

Bm
Your love (echo) your love

Chorus:

A
Draw us closer, draw us closer

Bm
to your love, to your love
(repeat)

Verse:

A

Step into the faith that I called you to, built on the foundation that I can do

Bm

Anything that I want to, and it's you I choose to use

A

Cuz I'm Creator and the Savior that's bringing Life to the valley of the bones that are so dry

Bm

Two Kingdoms they shall unite, by my Spirit they won't divide

A

Oh Lord I'm lacking of the words to say of the power and mercy of amazing grace

Bm

So won't You draw me in, cuz You washed away my sin, won't you
