Verse Flow:

B ♭

I want to be like the officer take a command,

Walk the walk, talk the talk, take stands

He's the vine, we've his mind, we the branch

Halt and assume the stance

I'm a open my mouth and let the words roll out

Trust the Holy Spirit to erase all doubt

His orders carried out, per what He sees

If we have no faith, He is impossible to please

We have the best Father all we gotta do is ask

Believe and receive all we need to do the task

Give me faith, make me strong like David
Bring a lost soul, thru me, He'll save it
Give me your heart to make love a verb
I want to be like the officer, say that word

Verse:

B ♭ E ♭

B ♭
Make my attitude the same as Jesus Christ, who in God's nature came as human laid
it down

E ♭
He was humble, he was a servant, in human likeness-death undeserving.

B ♭
Trained under **your love**, under your lo-o-o-o-ove

Chorus:

E ♭
I want to be like **the officer**, I want to be like **the officer**

B ♭
So won't You say the Word, won't You say the Word

E ♭
I want to be like the officer, I want to be like the officer

B ♭ E ♭
Oh yeah

Verse Flow:

B ♭
I wanna to be like Centurion, never hurryin'
You say the word, sends the enemy scurryin'
All the time, you're the rhyme, we the body
You're the answer to the riddle in the middle of a wadi
I totally surrender and let your will play out
whatever that you render I will trust, not doubt
I will only go where I see you going I will only flow where I see you flowing
We have the winning team all we gotta do is call
call upon the one who got it done once and for all
give us faith make us strong like Moses
as we fully realize we're the prize cuz you chose us
give us your heart to make love a verb
I wanna be like the officer, say that word

Strength and power are yours my Lord, say amen yes to the Lamb

I want to be like the officer, I want to be like the officer

E♭
