Enemy  
Full blown attack  
Straight fact, my armor be stacked  
He fights a losing a battle  
Chump sifting and all that

This is how we daily equip

Raddest of rad news, this  
Peace on my feet  
Good news can't miss

Breastplate  
Of righteousness  
Demons creep up  
And they all get dissed

Put it on, put in on  
When the enemy sifts put on the armor of God

Belt strapped  
Truth like that--snap  
Bought wisdom and truth  
I ain't selling 'em back

My shield of faith  
Stops game  
Satanic arrows of  
Dark flame  
With no stallin'  
My chips all in  
In the name above every other name

Put it on, put in on  
When the enemy sifts put on the armor of God

Salvation  
Helmet here  
We've the mind of Christ  
All of Heaven cheers

Mind protected  
Connected endears  
His perfect love that kicks out all fear

We have his word in our deepest parts  
That discerns the intent and the thoughts of the heart  
Slices soul from spirit  
And marrow from all joints  
2-edged sword  
Straight sharp and on point  
We rock it like that from the Lord of Lords  
It's all Spirit and it's all sword

Put it on, put in on  
When the enemy sifts put on the armor of God (4xs)
